Pool update

The pool is under repair, the pump is not working at this time. David Kalish is working on getting it repaired. The pool opening will be delayed and we will keep members updated.

We invite you to check the Facebook page for more timely updates.

If you have not picked up your pool key you can [email](#) Steven Langone who will gladly set up a meet-up with you.

Roadside care

Please keep in mind each lot owner is responsible for the upkeep of the roadside at their lot. This includes tree trimming and roadside mowing. Please police your own property line for trash and branches.

We would like to caution you about mowing your clippings into the roadway. When grass clippings get wet after a rain they can become slippery and hazardous to pedestrians, bicycles, skateboards, and motorcycles.

Save the date

We will have a 4th of July picnic and Ellie Tarbous is the events coordinator. Watch the bulletin board for updates or [email](#) her if you have questions.

Volunteers are needed

Please [email](#) the board if you are willing to volunteer. Volunteers help save the way our funds are used.
