TRICK OR TREAT

HALLOWEEN IN MALVERN

Would you like ghosts and goblins, princesses and pirates, superheroes and villains to visit your house this year for a treat? If so, say **“YES”** to Trick or Treating in Malvern with Lot # or address to 703-477-7745.

Based upon responses, we will create a **Trick or Treat Map** for our kids to use during the designated hours of **6:00pm - 8:00pm on Thursday, November 1st**. All that is needed is community participation to leave porch lights on or candy at bottom of driveways or any other creative way to indicate you are open to treaters.

All those interested in trick or treating meet at the clubhouse parking lot btn 5:30 and 6 to get a map and glowsticks. Appreciate parents helping kids get around the neighborhood, either by car, bike or foot! Hope to see you out there!
